BARBOURVILLE, KY., FRIDAY, MAY 7, 1920

ONE DOLLAR AND FIFTY CENTS A YEAR IN ADVANCE

GOVERNOR MORROW APPROVES SALVATION ARMY

Frankfort, Ky. April 8th.
Commander Evangeline Booth.
My dear Commander:—

Wherever the Salvation Army "carries on," there we find a need supplied; a foot-sore, unfortunate comforted; a hungry one fed; an aching heart given surcease of sorrow.

I am appealing directly to the great heart of Kentucky to respond generously to the call of the Salvation Army in this second Home Service Campaign, urging our people to rally to the support of an institution that always has done and now stands ready to do its full share, brimful and running over, for the homeless and the afflicted.

With my best wishes for your continued success in your great work believe me to be,

Sincerely your friend,
Edwin P. Morrow, Governor.

SEWER PROGRESS

City Will Lend Engineer

Mayor T. D. Tinsley has agreed to lend the services of J. R. Murphy, the City Engineer in laying out the sewer line necessary to carry off the sewage now being dumped in and around the Public Square, back of the High School, College Avenue near the depot. This sewer line will permit people not now on the sewer to join up and do away with less convenient toilets.

Dr. Minton has already many signatures to the agreement to join on the sewer line and Dr. J. H. Albright urges all who should sign to do so.

BLACK

The death of Mrs. America Botner Black, a highly respected resident of Grays, Knox County, occurred at her home May 2nd, as the result of cancer. Deceased was sixty years of age and leaves a husband, one five sons and one daughter.

Interment was on Monday in the presence of a large concourse of sorrowing relatives and friends.

Robert W. Cole announces the Chautauqua will be here June 26th.

MAY DAY CELEBRATION

On the morning of May 1st, at 7 o'clock the students of Union College ascended to the roof of Stevenson Hall and sang a number of old hymns which carried older people back in memory to churches in other cities and counties. The singing was very pleasing and should be repeated with profit.

As the strains of "Holy, Holy, Holy, Lord God Almighty" rang thru the air, the Editor was carried back in spirit to a church, the spire of which pierced the air to a height of 293 feet—a church with a great interior, and stained glass windows which depicted scenes in the life of the Savior. Then as a wonderful organ breaks the reverent stillness of the House of God twenty-four white robed boys and eighteen white robed men come forth, their voices raised in the glorious procession, "Holy, Holy, Holy, Lord God Almighty," the volume of sound being immediately swelled by the voices of two thousand worshippers. Every hymn sung by Union College students back to such a scene, also strengthened his belief that every child should have the benefit of a deeply seated reverence for the name of the Lord God Almighty. Such a reverence will help him to keep straight thru many a temptation, or, if he errs, which he will, to remember the Lord God Almighty is also a tender Father who judges very differently from the way we do and who thoroughly understands.

The opening of the floodgates of memory which carried the Editor back to such a scene, also strengthened his belief that every child should have the benefit of a deeply seated reverence for the name of the Lord God Almighty. Such a reverence will help him to keep straight thru many a temptation, or, if he errs, which he will, to remember the Lord God Almighty is also a tender Father who judges very differently from the way we do and who thoroughly understands.

At night the band rendered a delightful concert while the crowd promulgated. Miss Campbell is to be warmly congratulated on this delightful innovation as are the students, Prof. Ahler and the band for their splendid singing and playing. Music is often a more powerful medium for lifting the soul of man to God than is the spoken word.

The first span of the bridge across the Cumberland River, Pineville which leads to the freight depot, fell in Tuesday morning when two of the large trucks belonging to the city were crossing it. One of the trucks got clear, but that driven by Joe Cloud, colored went down with the bridge. Cloud escaped except for a bump on the back of the head by a piece of flying timber. The truck was practically demolished. The city and county will repair the bridge between them.

THE OIL SITUATION

Many of our people have become pessimistic in regard to the oil situation since the deep test well did not bring oil, but one important feature should not be lost sight of and that is that the same formation exists in Lee and Estill Counties as exists in Knox County and there is a good chance that oil may yet be struck in a deep well.

ELECTRIC POWER AND LIGHT IMPROVEMENTS

The Barbourville Electric Light Co. on Tuesday installed their new twenty ton, 150 h. p. high pressure boiler. It was some feat to get the immense boiler in the back way but the indefatigable A. D. Smith solved the problem as usual. This boiler is part of the new system which is being installed and which, when completed within the next month, will make an up-to-date electric light plant capable of furnishing 500 h. p. motor load. Barbourville is indeed fortunate in having citizens who have enough get up and get to not only provide light and power possibilities for the present, but have faith enough in their home town to get ready for a bigger demand. This is one Company at least which has put back what it has made into the business in an honest endeavor to build up, rather than bleed the business.

ULRIC J. BELL

In recognition of the work of the Salvation Army among the boys in the front line trenches of France and Belgium, the American Legion of Kentucky has given unqualified endorsement to the Second Salvation Army Home Service Appeal, May 10 May 20.

The boys of the American Legion have not forgotten the hardships shared with them by the girls who cooked doughnuts and pies while the scream of shells and shrapnel made the nights an inferno. They have not forgotten the women who braved the machine gun fire of the Germans to carry hot coffee to the fighters during the zero nights. Many of these girls who shouldered the big heavy water yokes, with ten gallon carriers of hot coffee swung from each end and are still in France their graves marked by the Cross of Honor and among the poppy fields of Flanders.

Commander Ulric J. Bell, of the American Legion has sent the following letter to J. Paul Swain, State Director of the Salvation Army Appeal:

My Dear Mr. Swain:—Attention of the Executive Committee of the American Legion of Kentucky having been called to the present Campaign of the Salvation Army for funds in Kentucky, I am directed by that body to address to you this communication in which the American Legion officially recognizes the Salvation Army as an organization to which the American people generally and service men in particular, owe a great debt of gratitude. It will not be necessary for the American Legion to say to the former soldier that the Salvation Army is a good thing and deserves support. It is already well known to you that "Johnny Buck" has learned to respect the "Sally Ann" under a stress that has tried the souls of both. Your soldiers of the Salvation Army shared common, during the late war the same risks and dangers faced by those who now make up the American Legion. Friendship formed in that crucible will endure beyond any artificial bolstering. It is the hope of the State Department of the Legion that the Salvation Army will meet with the greatest success in its work and its conviction that one hundred and twenty units of The American Legion thru-out Kentucky will stand shoulder to shoulder with the Army in all good things. Yours very truly,

ULRIC BELL, Department Commander.

THE LAW AND THE GOSPEL

In these degenerate days, a preacher is not always a hero to his own congregation and generally the congregation is not as heroic as it should be in standing by its preacher but,

Last week a bunch of preachers sallied forth and on the field of honor, they met a similar number of limbs of the law, swatting them into defeat and establishing the supremacy of godliness by a score of 15 to 10.

Hilton Garland, of Indian Creek, is under arrest and has been taken before the Commissioner at Pineville charged with possession of portions of a still and, it is alleged, two barrels of slop. The raid was made Tuesday and was participated in by U. S. Revenue Officer Winfrey and local deputies E. C. Dozier and W. A. Hinkle.

11th DISTRICT CONVENTION OF FEDERATED WOMEN'S CLUBS

Tuesday, April 27th, was a busy day from early morning till late at night. The Annual meeting of the 11th District of Federated Women's Clubs was entertained by the Civic League and the Women's Study Club on that day. The meeting was held in the Christian Church, being called to order at 10:30 by the District Chairman, Mrs. J. E. Sampson, of Harlan. The Club Creed was repeated in unison and its noble sentiments gave the key note of the whole convention.

Mrs. R. L. Creal's solo was greatly appreciated after which Mrs. C. F. Heidrick made a happy address of welcome to which Mrs. S. H. Kash, of Corbin, responded in words well worthy the name of address, touching as it did on the history of Barbourville and its noted men and also on live topics of the day. The reports of the District Chairmen filled the remainder of the morning the program closing with a piano solo by Mrs. W. S. Hudson who graciously responded to a hearty encore with another selection.

In response to the call of Miss Nola Minton, who acted as chairman of the reception committee, the citizens were out in full force with their autos and everyone was taken on a "sight-seeing" ride before luncheon at Hotel Jones.

The ladies gathered in the upper lobby where a social half hour was spent in animated visiting and renewing friendships. Luncheon was satisfying, nourishing and dainty under the able direction of Mrs. J. E. Archer. Seventy-six people were served.

In the afternoon Mrs. Sampson made the Annual Address of the District Chairman touching on the various activities of club work. Miss McChesney's talk on "How to Reduce the High Cost of Living" had been looked forward to and proved very satisfactory in that it was practical and sensible showing that altho we may be helpless to a certain extent, by refusing to buy other than necessities in food and clothing we can at least mark time.

The reports of individual clubs showed great activity thruout the district and also a surprising fact was revealed—that these clubs actually handle large sums of money.

Mrs. Rathfon sang two vocal selections which were favorably received as everyone enjoys her sweet singing. Miss Garden's address on the work of the Parent-Teacher Associations brought out the point of the value of these gatherings to the mothers, especially those in isolated communities and of foreign extraction. Mrs. Marcus read Miss Gullion's paper on Civics.

The State President, Mrs. Lafon Riker, gave an intimate informal talk on club work and privileges. Her presence was greatly appreciated and an inspiration to all present.

This ended the business session. The evening was given over to entertainment. Miss Drucilla Tye carried her audience with her in her rendering of a cutting from "Within the Law." Mrs. R. M. Watt, of Pineville, gave a wonderful treat with her selections sung in her deep contralto and all present would have been pleased to have heard more.

Of course Prof. E. F. Faquhar's lecture on the "Happiness of Literature" was the heart of the day. He brought the value of a knowledge of literature before us in a way in which it is rarely presented—beginning and closing with the sentiment that a knowledge of a country thru its literature makes it impossible to go to war with that country.

Barbourville was glad to entertain this convention and the ladies who had the responsibility on their shoulders deserve great praise for the harmony that prevailed and the personal pleasure it proved to those who attended.

LETTER FROM HOME

April 27, 1920.

My dear Mr. Burman:— I am sending you herewith my personal check for \$1.50 covering my subscription.

Your paper is almost equally as good as a personal letter from home and I am asking you to mail my copy to the above address until further notice.

With my very best wishes to you and yours, believe me,
Sincerely yours,
Hugh M. Oldfield.

Convention Notes.—

Mayor and Mrs. T. D. Tinsley entertained at six o'clock dinner on Tuesday evening Miss McChesney, of Lexington, Mr. and Mrs. Condon, of Harlan, and Mrs. T. H. Hayden, Jr., of Corbin.

Judge and Mrs. W. W. Tinsley entertained Mrs. Lafon Riker and Prof. E. F. Faquhar at evening dinner convention day.

Miss Gardner was at the home of Gov. and Mrs. J. D. Black for the period of the convention.

Mrs. Condon, of Harlan, was the pleasant guest at the J. A. McDermott home for the period of the convention.

Mrs. C. F. Heidrick was hostess to Mrs. J. E. Sampson, of Harlan and Mrs. R. M. Watt, of Pineville, over Tuesday.

Mrs. Wallace, of Corbin, was entertained by Mrs. A. N. Herndon.

Mr. and Mrs. G. M. Richards had the following as dinner guests Tuesday evening: Mrs. Weed and Miss Wentzel, of Corbin, Dr. Efron and Mr. and Mrs. Fred Burman.

Mrs. T. W. Minton was hostess to Mrs. Chas. Lyons and Mrs. Will Archer over the convention period.

Mrs. Lulu B. Smith was hostess at the Jones Hotel for the evening meal for her sisters, Mrs. S. H. Kash and Mrs. Grace K. Rawlings, of Corbin.

UNION COLLEGE ALUMNI ATTENTION

Every graduate of Union College and of Union College Academy is asked to make Monday, May 24th, a day to be remembered. It is our first Alumni Day and the committee is doing its best to prepare an interesting program. The Annual business meeting will be held in the afternoon when officers will be elected and plans made for the ensuing year. The first Alumni Banquet will be served in the dining hall of the College at 6 p. m.

Plans are being made for an all-alumni program in the evening. All classes should plan for a reunion at some time during the day. The College belongs to the Alumni May 24. Come back and live over the good old times, renew old friendships and lay the foundation not only for a permanent function of the Commencement season, but for a continuous loyal and hearty support of our loved Alma Mater.

DR. HAAS LIKES THE ADVOCATE

Mount Vernon, Ind., April 26th.

My Dear Mr. Burman:— How swiftly time does fly! A year has rolled around and I must renew for the Mountain Advocate, one of the best weeklies that comes to our home. No doubt it is because we appreciate Barbourville's splendid people, her schools and churches that we are so anxious to keep in touch with the happenings. You will find enclosed \$1.50 my subscription to your valuable paper, and in addition you have my very best wishes and kindest regards.

Yours truly,

O. C. Haas.

CAMPING FUN AND MONEY

FOR TEACHERS AND BOYS

Ten thousand strawberry pickers will go to Warren County to pick and care for the 1920 strawberry crop. Boys can average two dollars per day picking berries, and teachers can get work as patch foreman, inspectors, craters, etc.

The State Y. M. C. A. of Kentucky will conduct a camp for boys fourteen and twenty years old, on the Clagett and Covington farm, during the strawberry season. This camp will have its own separate mess and cooks, in its own camp ground, and excellent meals are assured. There will be a time outside of work hours for the conducting of a fine camp program full of entertainment and fun. In addition, excursion trips will be made to Mammoth Cave and other subterranean formations in the vicinity. Men teachers are wanted as leaders for their own group of boys. You can assure parents that boys in the Y. M. C. A. Camp will be under manly Christian leadership, with safe environment. Bring a bunch of your boys and come for an outing and some money. Season opens about May 19th and lasts about three weeks. Buy your ticket to Bowling Green and ask to be taken to the Y. M. C. A. Camp.

For further information write, wire or see L. J. DARTER State Boys' Work Secretary 345 Y. M. C. A. Building Louisville, Ky.

COLLEGE NOTES

The first day of May was cele-
brated at the College by the singing of
hymns accompanied by the band on the
roof of Stevenson Hall at 6:30
in the morning. The singing was
participated in by the members of
the Treble Clef Club and the Apollo
Glee Club.

The band concert on Saturday
evening as a further observance of
May Day, was a great success. The
program was given on the campus
and consisted of unusually good se-
lections. Everybody seemed to en-
joy the evening to the fullest.

Every one was interested to see
who would represent the College as
orator at Richmond. The honors
went to Everett Bailey.

Our baseball team left Sunday
morning for Richmond, Ky. They
will probably be gone all week. They
are to play two games and they will
stay over Friday for the track meet.
We are expecting great results from
our boys.

Quite a number of our students
spent the week end at their various
homes.

President Franklin is attending
the General Conference of the Meth-
odist Church which convenes during
the month of May in the city of Des
Moines, Iowa.

The Sophomore Class spent a very
delightful day picnicking at Dishman
Springs. Several members were ab-
sent on account of the difference of
opinions as to what the clouds of
the early morning would result in.
But the eighteen who did go exer-
cised a great deal of faith for a fair
day and so it was. Mrs. Butler and
Miss Fields were the honored guests
of the class and Miss Weeks acted
as chaperon. The day was spent in
fishing, idling over Paint Hill and in
all sorts of picnicking adventures at
the Springs. The lake afforded
more real pleasure for the crowd
than did anything else except the
dinner. This picnic was one of the
most delightful social events of the
year and the Class of '22 is ready
any time now for another trip to
Dishman Springs.

EVERETT BAILEY WINS

On Monday night Daugh Smith,
Everett Bailey, and Walter Butler
held an oratorical contest at Union
College which was to decide who is
to be sent to Eastern Kentucky Nor-
mal at Richmond, Ky., to represent
Union College. All three did splen-
dently and on the strength of the com-
position average as well as delivery,
Everett Bailey was awarded the hon-
or. Rev. Walter Butler unfortu-
nately had a case of laryngitis and
threw up the contest but was game
enough to come back and finish
the oration which was fine.

The final result stood, Everett
Bailey, 87 1-2, Daugh Smith, 85 5-8,
Judges on delivery were Dr. J. A.
Gray, Mrs. G. F. Tinsley and Fred
Burman. The judges on thought
and composition were Mrs. Lulu B.
Smith, Prof. R. B. Cramer and Dr.
W. B. Minton.

Dr. Gray paid a warm tribute to
the splendid work of Miss Bertha
Hawkins, teacher of Expression, who
trained the young men.

TUESDAY CLUB

The Tuesday Club met at the
home of Mrs. R. L. Creal on Pine
St., Thursday April 29, the regular
meeting being postponed from Tues-
day on account of the District Con-
vention of Federated Women's Clubs
meeting on that day.

The subject for the next meeting
will be "Dress," Mrs. W. S. Hudson
leader. Mrs. James H. Tuggle will
be hostess at that meeting, May 11.
Fourteen members responded to roll
call with items on "Spiritualism,"
the topic of the day. Miss Gertrude
Black was leader and the program
was:—"The Door of Silence," Mrs.
G. M. Richards, "Spiritualism in
the Early Ages," Mrs. T. J. Belcher,
"In Touch with the Other World,"
Mrs. Ben Herndon, "Spiritualism
After the War," Miss Black.

Mrs. Creal sang two beautiful Ap-
ril songs—"It is not Raining Rain
to me"—"On that April Sunday,"
which were greatly enjoyed.

Mrs. E. T. Franklin gave a splen-
did short address on "Spiritualism"
from the viewpoint of one who has
studied it with a purely Biblical
foundation. There was a general
discussion including skeptical and
believing sides of the subject. In-
teresting and amusing experiences
were told.

Miss Trabue, Mrs. Sudie Suttor
and Rev. Creal were visitors for the
social session. Delicious ice, cake
and candies were served. Purple
iris was the flower used for decora-
tions.

FRIENDS AFRAID THE END WAS NEAR

Even Rustling of Newspaper Would
Upset Mrs. Adkins She says

"My friends did not expect me to
live but a short while and I was be-
ginning to feel that way myself, but
since I have taken Tanlac I am as
strong and healthy as I ever was in
my life." Ruth I. Adkins, of Ear-
sel Station, Westmoreland, W. Va.
"It was about a year ago that I
had a bad spell of pneumonia," con-
tinued Mrs. Adkins, "and it left me
so weak that after I got up I could
not even sweep the floor. I was so
nervous that any noise, like a broom
falling or the rustling of a newspa-
per, would completely upset me, and
I was so restless I could
never sleep well. Why some
nights I would get only one or two
hours' sleep. I had a poor appetite
and when I did manage to force
down something I could not digest it
I was almost a complete physical
and nervous wreck and was begin-
ning to feel that my end was near-
ing, for I had taken so many medi-
cines without benefit that I had be-
come discouraged and despondent.

"One day I noticed about Tanlac
in the paper and I decided to try it.
That day proved to be a happy day
in my life, because it marked a turn
in my condition and I began steadily
to improve. Today I am on my
fourth bottle of Tanlac and the
change that has come over me is
nothing short of remarkable, for I
have been built up so wonderfully
that I feel like a new woman. My
nerves are as steady as a clock and I
am sleeping every night like a child.
My appetite has returned and I can
digest everything I eat without the
least trouble. Tanlac has given me
new life and strength and I am in as
good health as I ever was."

Why You Should Buy Guaranteed Roofing

When you buy roofing you
want durability as well as shel-
ter. You want to know that it
will last long enough to make
its average cost per year a
reasonable figure.

That is why Certain-teed should
appeal to you. For, when prop-
erly laid, Certain-teed Roofing is
guaranteed for 5, 10 or 15 years,
according to weight.

The guarantee adequately pro-
tects your investment, but it does
not accurately measure Certain-
teed's life. In fact no one knows
just how durable Certain-teed is,
because in no case has it

ever been known to wear out
on the roof.

And Certain-teed is more than
durable. It is weather-proof,
fire-retarding and spark-proof.
It effectively shelters your
property.

With all these advantages, Cer-
tain-teed Roofing costs less to
buy, less to lay and less to
maintain, than any other type of
good roofing.

See your dealer about Certain-
teed. He either has it or can
get it quickly from a nearby
Certain-teed distributing center.

LEWIS STUDY CLUB

On Friday afternoon Mrs. G. F. Tinsley was hostess to the Women's Study Club. Fourteen members were present. For the social hour the following guests were invited: Mrs. Edmond McDermott, of Kenosha, Wisconsin; Mrs. Tom Hayden, Corbin; Misses Carter, Fields and Adams, of Union College; Mrs. R. P. Black and Miss Emeline Sampson of this city.

There were many reports from committees who were on duty at the District Convention on Tuesday, the 27th, which showed the excellence of the work done by these committees. The expressions of praise and pleasure over the convention gladdened all hearts. The convention was full of enthusiasm and club spirit and although only five of the twelve clubs of the District were represented by delegates, there were many visitors present numbering in all twenty-seven. The Christian Church, conveniently located and tastefully decorated made an ideal place for the meeting. The delicious luncheon served at the Jones Hotel at 1 o'clock, was noted as one of the most pleasant features of the occasion.

It was the great pleasure of the convention to have as guest of honor the President of the State Federation, Mrs. Lafon Riker, who gave a splendid address—her earnest appeal that we wear old clothes and buy only necessities until prices come down, awakened a deeper sense of responsibility in the heart of every woman present and we resolved to follow our President's lead. Miss Gertrude McChesney's address on "How to Reduce the High Cost of Living" was splendidly received, as was Miss Gardner's talk on Parent Teacher work. Mrs. J. A. McDermott was elected Vice-Chairman of the District and Mrs. Grace K. Rawlings, of Corbin, secretary. Prof. Farquhar's lecture in the evening on "Happiness of Literature" was a great delight to all present. The readings and music furnished by visitors and home folks were greatly enjoyed. Much of the success of the convention was due to Mrs. J. E. Sampson, of Harlan, District Chairman, as well as the local clubs.

The club voted unanimously on a course of study for next year—"American Reconstruction Problems."

The regular program for the day was then given—Mrs. L. L. Richardson, chairman. Topic—"Music of Our Forefathers."

Growth of the Orchestra in America. Mrs. Richardson; Piano solo, Miss Carter; Violin solo, Miss Adams; Group of Songs, Mrs. Rathfon; Origin of May Day and its History, Miss Pelly; Vocal solo, Miss Adams.

After adjournment a delicious Tutti Frutti ice, cakes and candy in dainty little May Day baskets, were served by the hostess.

Mrs. James Golden, Secretary.

NOTICE—SEALED BIDS

Sealed bids will be received by the undersigned till noon, Saturday, May 22nd, 1920, for the construction of streets in the City of Barbourville, Kentucky, according to plans and specifications on file in the office of the City Clerk.

All bids must be sealed, marked "Sealed Bid," and addressed to the Mayor accompanied by certified check for \$500, which will be returned to unsuccessful bidders, and to the successful bidder upon execution of contract and bond.

The Council reserves the right to reject any and all bids.

This 28th day of April, 1920.

THOS. D. TINSLEY, Mayor.

Attest: John Parker, City Clerk.

Mrs. G. H. Abright and Mrs. T. D. Tinsley and small son Wm. Granville, have gone to Indianapolis to visit Mr. D. C. Talbot's family.

OLD HICKORY VS. MIDDLEBORO

The Old Hickory met Middleboro and defeat Sunday by a score of 5 to 1. The home team played good ball, but went down before their opponents in spite of that. After Tye assumed charge of the sphere Middleboro failed to score.

Old Hickory line-up was: — Pitchers, Winkler, first three innings Tye balance of the game. 1st base—Steve Golden. 2nd base—R. B. Minton. Short stop—Amos Mayhew. 3rd base—Albert Coon. Outfielders—Reedy Miller, Will Mitchell, Henry Hubbard.

CHECK FORGING

Delmar Jarvis and Walter Hudson the latter of whom has served a term in the Reform School, are under arrest charged with forgery and passing a forged check for \$20.00 made out to "Willie Mayhew" and signed "Scotty Hudson." The check was accepted by E. T. England & Co in payment for \$1.85 worth of goods and change was given. Considerable cunning was displayed in choosing the name of Willie Mayhew, who would naturally be above suspicion, as the party to whom Mr. Hudson had presumably made out the check.

KNOX CIRCUIT COURT

To Judge R. S. Rose:— We, the Grand Jury, empaneled for the present term of the Court, do most respectfully report that we have examined the jail and Court House and find the jail proper in good condition clean and well kept and the Court House in a fair condition, but the sewer of the jail and Court House are both in a very bad and unsanitary condition and we have made as careful an examination as possible. We find that the present conditions, which are deplorable, come chiefly from the natural lay of the ground on which the city of Barbourville is built, in which there is little or no fall for gravity to carry away the sewerage. The present conditions are not the fault of any single individual but are the result of a community failure to get together and build a proper sewer. The Grand Jury was given assurance by the Fiscal Court and others that as soon as a survey of a sewerage outlet is made, work will be begun and carried on to completion. Therefore we return no indictments in this regard as we do not find any acts which cause the present conditions, as wilful, on the part of anyone.

Respectfully submitted,

Sam Lewis, Foreman.

DAN H. WILLIAMS AS A FRUIT GROWER

In 1911 Dan H. Williams, who up to that time had always lived in town, and had never done any farming, purchased 27 acres of sagebrush under the Tieton unit of Yakima project. He set 35 acres to apples, with peach and pear fillers, and in 1913 pulled out 300 of the peach trees. Last year he bought an additional 10 acres of apples with pear fillers, that had been planted the same year as his original acreage. The varieties of apples grown are Winesap, Delicious, Rome Beauty, and Jonathan, about evenly divided.

His returns for 1919 from the two tracts were as follows:—8,139 boxes of apples at \$2.25—\$18,312.75.

5,452 boxes of peaches at \$0.55—\$2,998.60.

260 boxes Winter Nellis pears at \$2.50—\$650.00. 48 tons Bartlett pears at \$60—\$2,880.00.

Total—\$25,091.35.

These figures show a return per acre for apples alone of \$469.59, in spite of the fact that Mr. Williams top-grafted 250 Spitzenberg trees last year, so that no crop was produced by these trees. By way of comparison it may be stated that the total average return for apples on the Sunnyside unit for 1919 was \$457.72 and on the Tieton unit \$283.45—Reclamation Record.

This does not include a 10 acre orchard which Mr. Williams had leased under another ditch and from which he sold \$9,000 of fruit.

Mr. Williams was at one time sheriff of Knox County.

KNOX FISCAL COURT

Regular April Term, 1920. It is hereby ordered by the court that from this day forward all able bodied male citizens of the County, over 18 and under 50 years of age, except licensed ministers of the Gospel, and citizens of incorporated towns and cities, are required to provide themselves with necessary tools and implements and to work on the Public Road of the County, not exceeding two days in a week and six hours each year, but in case of unusual emergency the Overseers may require the road hands to work a greater number of days in any week or year. Any such citizen may furnish an able bodied substitute to work in his place.

A days work on such hand shall be eight hours. It is further ordered by the court that the Public Roads of Knox County, be forthwith worked and put in good condition for travel in the manner aforesaid. The County Attorney is hereby ordered by this court to investigate all failures on the part of the Overseers to warn their names, and cause their sections of roads to be put in good condition for travel and to inquire into the failure of all road hands to work on their said sections when warned and to prosecute all such failures on the part of the Overseers and road hands.

Attest: E. V. Bargo, Clerk Knox County Court.

Mrs. F. D. Sampson, who, with her daughters, spent the winter in Miami, Florida, arrived here Thursday to the very great pleasure of her many friends. Misses Emeline and Helen came with their mother. Judge Sampson came over Friday to assist in demolishing his family in the Parker Building where they will stay until able to secure a house.

Mrs. T. V. Minton and Mrs. C. F. Hedrick were as busy as bees putting in a camera bid in the Court House Square, which Judge J. D. Tinsley asked Mrs. Minton to put in. The plot was wired so the ladies may have a chance to do their duty in taking beautiful Barbourville is fortunate in the public spirit of its women which far exceeds that of the so called lords of creation, the men.

C. B. Parrott expects to have his big Pineville garage completed in about 30 days. He has offered his home next to Dr. Tye's for rent or sale and will live in Pineville. However, his friends hope that his business here will bring him over frequently.

Ed. T. England, Jr., of Atlanta, Ga., formerly an employee of the National Bank of John A. Black, has been appointed cashier of the Central Bank and Trust Co., Atlanta and his many friends in Knox County will be delighted to hear of this mark of confidence reposed in him by the directors of this important bank.

Friends of Mrs. Malinda Bennett, wife of Representative Sam Bennett of Lay, will be glad to learn that she is improving in health. Two microscopic examinations have failed to reveal tubercular infection, which was feared.

Mrs. J. H. Smith spent the week end with her son, Charlie H. Smith, at Elys, her daughter-in-law and little grandchildren paying her a return visit.

Ten miles used to be a long way

WHAT a difference in these motor-car days, when every point in the county is hardly more than "just around the corner."

People's ideas are changing, too.

They're beginning to figure out how much it is costing them to keep a car. And the man who is doing the greatest amount of figuring is the man with the moderate-price car.

There still seems to be a notion in some quarters that any tire is good enough for a small car.

That's not what the man who owns it thinks.

In recommending and selling U. S. Tires we are trying to see his side of the proposition—finding out what he wants in a tire and giving him that.

Large or small, U. S. Tires are built to only one standard of quality—the standard that produced the first straight side automobile tire, the first pneumatic truck tire.

Every tire that bears the name "U. S." is built the best way its makers know how. It isn't the car, but the man who owns the car, that counts with the oldest and largest rubber concern in the world.

As representatives of U. S. Tires in this town, we offer you the benefit of our experience and advice in settling your tire problem.

Select your tires according to the roads they have to travel:

In sandy or hilly country, wherever the going is apt to be heavy—The U. S. Noble.

For ordinary country roads—The U. S. Chain or Usco.

For front wheels—The U. S. Plain.

For best results—everywhere—U. S. Royal Cords.

LIKE NEW MAN AFTER MAKING 28 POUND GAIN

Remarkable and Convincing Story of Trutona's Restorative Powers Told By Mr. Lee

Louisville, Ky., May 6th.—"I'll swear by Trutona and I never expect to be without it again. And why shouldn't I? After I had spent hundreds of dollars for other medicines, one bottle of Trutona did me as much good as all the other put together. It placed my system in perfect condition and I've gained twenty-eight pounds in the bargain."

In his own words the foregoing is what Trutona, the Perfect Tonic, has done for Harry Lee, an employee of the Seelbach hotel, who lives at 1661 Gallagher Street, Louisville.

"Stomach trouble together with the after effects of an attack of pneumonia caused a general breakdown in my health," he continued. "I became constipated and suffered headaches. My appetite was very poor it seemed I never wanted anything but a cup of coffee. I didn't sleep well at night."

"Well sir, I weighed only 130 pounds when I began using Trutona but today I tip the scales at 158—a gain of 28 pounds. And I feel just like a new man, too. My constipation has been relieved. I have not had a headache for weeks and my former nervousness is a thing of the past. And my appetite—well, I eat more than my income will stand. I'm full of life now, enjoy my work and I know I'm in perfect physical condition. My father-in-law and my thirteen year old son also took Trutona and it helped them greatly. My boy is strong and healthy and gaining weight now."

Trutona is sold in Barbourville at the Costello Drug Store.

INVENTIVE GENIUS ROBS CALOMEL OF NAUSEA AND DANGER

Doctors' Favorite Medicine Now Purified and Devoid of All Objectionable Effects. "Calotabs"—the New Name.

What will human ingenuity do, next? Smokeless powder, wireless telegraphy, smokeless engines, colorless iodine, tasteless quinine—now comes a tasteless calomel. The new improvement called "Calotabs" is now on sale at druggists.

For biliousness, constipation, and indigestion the new calomel tablet is a practically perfect remedy, as evidenced by the fact that the manufacturers have authorized all druggists to refund the price if the customer is not "perfectly delighted" with Calotabs. One tablet at bedtime with a swallow of water—that's all. No taste, no nausea, no griping, no salts. By morning your liver is thoroughly cleansed and you are feeling fine, with a hearty appetite. Eat what you please—no danger—go about your business.

Calotabs are not sold in bulk. Get an original package, sealed. Price, thirty cents.—(adv.)

MY MOTHER'S PICTURE By Cowper

The following beautiful verse is from memory, and may not be quite exact, but it is very suitable for a Mother's Day tribute.

O, that those lips had language! Life has passed with me but roughly Since I saw thee last.

These lips are thine, thine own sweet smile is seen.

The same that oft in childhood followed me.

Voice only fails, else how distinct they say—

"Grieve not, my child, chase all thy tears away."

The Most Welcome Tire That Ever Came to Market

Men Who Appreciate Superlative Values Prefer The Brunswick

In every great tire factory, the chief question is: "How much can we give for the money?" And the product depends on the policy adopted.

Every man who has become acquainted with Brunswick Tires knows that Brunswick standards are again evident. This famous concern—noted as a leader in every line it entered since 1845—has once more proved that its policy is right.

A perfect tire is simply a matter of knowledge and standards and skill. No secrets nor patents prevent making an ideal tire.

But standards come first. For in tire making there is vast room for skimping, for subtle economies, for hidden shortcomings. Makers without the highest standards don't build high-grade tires.

The Brunswick organization of tire makers includes a brilliant staff of technical experts. Not a man

among them has spent less than 20 years in handling rubber.

Each is a master of his craft. And the new ideas they bring to the attention of Brunswick directors receive sincere consideration.

Every proved betterment is adopted unanimously.

The Brunswick Tire is a combination of acknowledged features—plus Brunswick standards of manufacture.

The result is a super-tire, the like of which you have never known before. The kind of a tire you will gladly join in welcoming.

Yet Brunswicks cost no more than like-type tires.

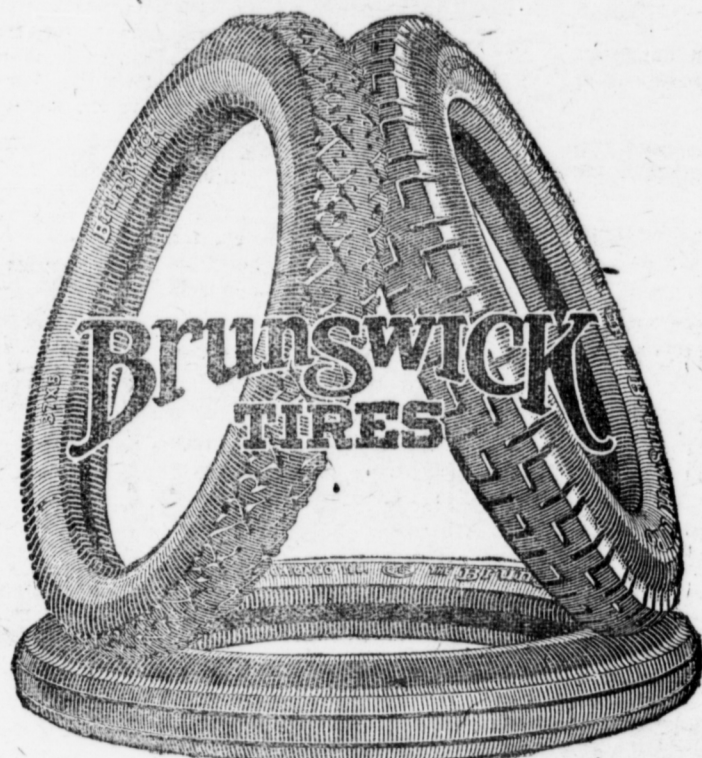

Try ONE Brunswick. We promise a surprise. And we feel certain that you will want ALL Brunswicks.

Then good tires will have a new meaning to you.

Nerve Energy

Every person needs nerve energy to fight the battles of life; for every action, whether physical or mental, is a drain upon this force.

It is said that the nerve energy consumed in seeing is twenty times that used in hearing for the same period, and the eyes use many more times the energy than any other organ of the body. When one considers that this energy is drawn upon continually for sixteen to eighteen hours daily, the importance of keeping the eyesight in good condition is at once apparent.

When Children Grow Pale and List-
less Their Blood May Be Weak

PEPTO-MANGAN MAKES RED BLOOD

Sold by Druggists in Liquid and
Tablet Form—Both the Same
in Medicinal Quality

When your child loses color, acts
and talks without spirit, and does
not play like other children, act
quickly.

If the condition is not a deep-
seated disease but merely due to
poor blood, give Pepto-Mangan.
Gude's Pepto-Mangan is just the ton-
ic for pale, thin children whose
blood needs rebuilding. It is a pleas-
ant tasting, simple combination of
exactly the ingredients that increase
and enrich the blood.

Beneficial results show almost at
once in brighter eyes, blooming
cheeks, a sprightly step, and the
whole system made more vigorous.
Pepto-Mangan is obtainable in
liquid or tablet form, whichever
proves most convenient. Both
forms possess identical medicinal
qualities.

There is but one genuine Pepto-
Mangan and that is "Gude's." Ask
your druggist for "Gude's" and
look for the name "Gude's" on the
package. If it is not there it is not
Pepto-Mangan.—Advertisement.

A Kentucky Woman Rundown-Nervous-Weak

Newport, Ky.—"I most heartily recom-
mend Dr. Pierce's remedies for they have
surely been of great
benefit to me.
Several years ago I
was run-down and
nervous with ob-
servation and a catas-
trophic condition. Dr.
Pierce's Favorite
Prescription and Lo-
tion Tablets cured
me of all my weak-
ness and restored me
to perfect health and
strength. From that
time to this I have
had no feminine
trouble of any description so feel assured
that mine was a permanent cure."—MRS.
AMANDA E. GEISLER, 913 Columbia St.

ANOTHER TESTIMONY

Louisville, Ky.—"Dr. Pierce's Favorite
Prescription is the very best medicine a
woman can take. I suffered for some time
with organic weakness and at times I suf-
fered so that I would be compelled to give
up and go to bed; my back ached and pains
would extend down into my limbs. I would
become stiff and numb and was hysterical
at times. I was so miserable and nothing
seemed to help me until I began taking the
'Favorite Prescription' and this medicine
so completely cured me that I have never
had the least trouble since. I can recom-
mend it to be the best medicine I have ever
taken for the ailments of women."—MRS.
E. CASHMAN, 326 Franklin St.

FOR YOUNG MOTHERS

Louisville, Ky.—"I can never thank Dr.
Pierce enough for what his medicine has
done for me. I had nursing sore mouth and
was so weak I could hardly walk. My baby
also suffered. I got medicine from our
family physician but it did me no good; I
grew worse instead of better, so almost in
despair I began taking Dr. Pierce's Golden
Medical Discovery and before I had taken
half a bottle I felt like a different woman
and when I had finished taking that bottle
I was almost well. I believe I would have
been in my grave had it not been for this
medicine."—MRS. EMMA PEAK, R. R.
A., Box 314.

HANDS, ARMS, LIMBS ASLEEP

And Was Run-Down, Weak and
Nervous, Says Florida Lady.
Five Bottles of Cardui
Made Her Well.

Kathleen, Fla.—Mrs. Dallas Prime,
of this place, says: "After the birth
of my last child, I got very much
run-down and weakened, so much
that I could hardly do anything at
all. I was so awfully nervous that
I could scarcely endure the least
noise. My condition was getting
worse all the time..."

I knew I must have some relief or
I would soon be in the bed and in a
serious condition for I felt so badly
and was so nervous and weak I could
hardly live. My husband asked Dr.
Cardui about my taking Cardui. He
said, "It's a good medicine, and good
for that trouble," so he got me 5 bot-
tles... After about the second bottle I
felt greatly improved... before taking
it my limbs and hands and arms
would go to sleep. After taking it,
however, this poor circulation disap-
peared. My strength came back to
me and I was soon on the road to
health. After the use of about 5 bot-
tles, I could do all my house-work
and attend to my six children be-
sides."

You can feel safe in giving Cardui
a thorough trial for your troubles. It
contains no harmful or habit-forming
drugs, but is composed of mild, vege-
table, medicinal ingredients with no
bad after-effects. Thousands of women
have voluntarily written, telling of
the good Cardui has done them. It
should help you, too. Try it. E 74

Equip Your Smaller Car With Goodyear Tires

If you own a Ford, Chevrolet, Dort, Maxwell
or any other car using 30x3-, 30x3½-, or
31x4-inch tires, you can well take advantage
of the high relative value built into all Good-
year Tires.

You can well do so because you can secure
in the smaller Goodyear Tires the results of
such skill and care as have made Goodyear
Tires the preferred equipment on the high-
est priced automobiles of the day.

You can well do so because these smaller
Goodyear Tires are easy to obtain, being
produced at the rate of approximately 20,000
a day, and because their first cost usually is
as low or lower than that of other tires in
the same types and sizes.

Go to the nearest Goodyear Service Station
Dealer for these tires, and for Goodyear
Heavy Tourist Tubes. He supplies many
other local owners of the smaller cars.

30x3½ Goodyear Double-Cure
Fabric, All-Weather Tread..... \$23.50

30x3½ Goodyear Single-Cure
Fabric, Anti-Skid Tread..... \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that
reinforce casings properly. Why risk a good casing with a
cheap tube? Goodyear Heavy Tourist Tubes cost little more
than tubes of less merit. 30x3½ size in waterproof bag \$4.50
